II. School Board Forum

Members of the Board of Education will give a presentation on the following items:

1. Emergency Preparedness Planning- Presented by Bob Grum, Lake County Public Health Department- To inform the Woodland community on the plans being executed on their behalf and provide information on what citizens can do in the event of wide scale public health emergency.
2. Board Training And Recruitment – Board members will provide a power point on boardsmanship. Woodland will have four seats up for election on April 7th. Petition packets will be available at the forum.
3. Community Input On Future School Structure- Board members are seeking community input about the future of the Woodland School District and the district's current structure. The primary question is "Will the current structure of Woodland's schools serve the needs of future students?"

The evening will conclude with a general question and answer session.
