

SCIENCE FAIR PROBOARDS / ECONOBOARDS

Proboards are made of quality foamboard. Econoboards are made of a die cut corrugated cardboard. They may be ordered in white or colors. Black subtitles are included with all Proboards. If you would like to order a Proboard or an Econoboard to display your science fair project, please complete this form and return it to your science teacher with a check made out to Woodland Middle School for the correct amount by_____. Please check to indicate whether you would like white or a color and the color desired.
