

SUPPORT NATIONAL BREAST CANCER AWARENESS MONTH

We would like to invite you to join Bears Care, the Chicago Bear's charitable beneficiary, in promoting breast cancer awareness this fall. The "Real Bears Fans Wear Pink" t-shirt campaign is back for its second year with a new design, but same goal. The success of last year's campaign allowed Bears Care to distribute over \$60,000 to organizations in the Chicagoland area that provide care, assistance and support services to breast cancer patients and their families. The exclusive "Real Bears Fans Wear Pink" t-shirts are

available for \$15 during the month of September, leading up to the Bears vs. Lions game on Sunday, October 4, 2009, where the Bears and the NFL will officially recognize National Breast Cancer Awareness Month. Our goal is to have fans throughout the stadium, or wherever they may be watching the game, wearing their "Real Bears Fans Wear Pink" t-shirts to show their support for the cause.

Bears Care volunteers will be selling the shirts on **Tuesday, September 29** and **Thursday, October 1, 2009** at **Sam's Club** located at **6570 Grand Avenue** in Gurnee between the hours of 2 p.m. and 7 p.m. each day. **A Chicago Bears player is expected to appear on Tuesday, September 29, between 4 and 5 p.m. to thank fans for their support of the program.** If you are not able to stop by Sam's, please visit www.events.org/pink to learn more about the program or order online.
