

Holiday Food Drive

Help Feed Our Families

During these current economic times, more families in the Woodland Community are in need. **PLEASE** help our district make this a happy holiday season for all by donating to our annual food drive. Every item donated no matter how small, makes a difference!

Parents, you may find it convenient to bring your family's donation to school when you attend your child's Parent Teacher Conference. If not, please feel free to send your donation to school with your child.

Books!

**All Buildings:
Donations of New
or Gently used
books are also
greatly
appreciated!**

Winter!

**All Buildings:
Donations of New
hats, gloves and
mittens are also
greatly

If you have any questions, would like to volunteer or know of a needy district family who may benefit from receiving a holiday food basket, please contact Evelyn Cacioppo, Elementary West Social Worker at ecacioppo@dist50.net
Thank you for your generosity during this season of giving!

To ensure a variety of items are donated to our families in need, here are some suggestions:
