### Insurance Management

**Summary:** The Superintendent or designee shall recommend an appropriate insurance program, at the most economical cost, consistent with sound insurance principles.

The Superintendent or designee shall recommend an insurance program that provides the broadest and most complete coverage available at the most economical cost, consistent with sound insurance principles.

The insurance program shall include:

1. Liability coverage to insure against any loss or liability of the School District, and the listed individuals against civil rights damage claims and suits, constitutional rights damage claims and suits, and death and bodily injury and property damage claims and suits, including defense costs, when damages are sought for negligent or wrongful acts allegedly committed in the scope of employment or under the Board's direction.
2. Comprehensive property insurance covering a broad range of causes of loss involving building and personal property. The coverage amount shall normally be for the replacement cost or the insurable value.
3. Workers' Compensation to protect individual employees against financial loss in case of a work-related injury, certain types of disease, or death incurred in an employee-related situation.
4. Employee insurance programs.
5. Insurance on athletes.
