Use of Credit Cards

Summary: The Superintendent and designated employees are authorized to use credit cards to pay expenses for the District's benefit, which serve a valid and proper public purpose.

The Superintendent and employees designated by the Superintendent are authorized to use District credit cards to simplify the acquisition, receipt, and payment of purchases and travel expenses incurred on the District's behalf. Credit cards shall only be used for those expenses that are for the District's benefit and serve a valid and proper public purpose; they shall not be used for personal purchases. Cardholders are responsible for exercising due care and judgment and for acting in the District's best interests.

The Superintendent or designee shall manage the use of District credit cards by employees. It is the Woodland Community Consolidated School Board of Education's responsibility, through the audit and approval process, to determine whether District credit card use by the Superintendent is appropriate.

In addition to the other limitations contained in this and other Board policies, District credit cards are governed by the following restrictions:

1. Credit cards may only be used to pay certain job-related expenses or to make purchases on behalf of the Board or District or any student activity fund, or for purposes that would otherwise be addressed through a conventional revolving fund.
2. The Superintendent or designee shall instruct the issuing bank to block the cards' use at unapproved merchants.
3. Each cardholder, other than the Superintendent, may charge no more than \$5000 within a given month without prior authorization from the Superintendent.
4. The Superintendent or designee must approve the use of a District credit card whenever such use is by telephone, fax, and the Internet. Permission shall be withheld when the use violates any Board policy, is from a vendor whose reputation has not been verified, or would be more expensive than if another payment method were used.
5. The consequences for unauthorized purchases include, but are not limited to, reimbursing the District for the purchase amount, loss of cardholding privileges, and, if made by an employee, discipline up to and including discharge.
6. All cardholders must sign a statement affirming that they are familiar with this policy.
7. The Superintendent shall implement a process whereby all purchases using a District credit card are reviewed and approved by someone other than the cardholder or someone under the cardholder's supervision.
8. Cardholders must submit the original, itemized receipt to document all purchases.
9. No individual may use a District credit card to make purchases in a manner contrary to State law, including, but not limited to, the bidding and other purchasing requirements in 105 ILCS 5/10-20.21, or any Board policy.
10. The Superintendent or designee shall account for any financial or material reward or rebate offered by the company or institution issuing the District credit card and shall ensure that it is used for the District's benefit.
