

General Personnel

Ethics

Summary: Certain supervisory employees and employees responsible for negotiating contracts must file a “Statement of Economic Interest” as required by the Illinois Governmental Ethics Act. Employees shall not perform any political activity during compensated time. No District employee shall, directly or indirectly, have a financial interest in any contract, work, or business of the District.

All District employees are expected to maintain high standards in their school relationships, to demonstrate integrity and honesty, to be considerate and cooperative, and to maintain professional relationships with students, parents, staff members, and others. In addition, the *Code of Ethics for Illinois Educators*, adopted by the Illinois State Board of Education, is incorporated by reference into this policy. Any employee who sexually harasses a student or otherwise violates an employee conduct standard will be subject to discipline up to and including dismissal.
