Suggestions for Extended Learning at Home

- Exercise at home with music. gonoodle.com is a fun site to keep children active.
- The weather is getting nicer! Hurrah! our students can play and ride bikes outside. Play with balls. Practice catching, rolling and throwing.
- Play board games (UNO, Mancala, Checkers, word building games, Zingo, and so on).
- Reading and answering questions related to the topic
- Working on addition, subtraction problems and counting objects to match with numbers. The skill varies from student to student.
- Practice following one-step directions (ex. “Come here”, “Clean up your toys”, “put dishes in the sink”, etc.)
- Play with playdough or shaving cream (make letters, numbers, words, and shapes), coloring, painting with watercolors and drawing.
**Chores:**

Make beds  
Sorting laundry: socks, shirts, pants all in separate piles  
Sorting silverware  
Wipe tables, chairs  
Put toys away  
Fold towels  
Match socks  
Take out recycling  
Water flowers  
Sweep  
Vacuum  
Get mail  
Wash car  
Help with cooking:  
  baking with supervision

These are examples of some chores your child can do during the break. Our goal is to make your child independent so the more they practice the better. :) It boosts their self-esteem and gives them a sense of pride and accomplishment when they do something. Give them praise/reinforcement for a job well done.
