

Parents Right to Know

Parents have access to information regarding all certificate holders in the State of Illinois. Parents may search the Educator Certification System (ECS) by educator name, school name, district name or city name. The ECS site is hosted on the Illinois State Board of Education website at <https://sec1.isbe.net/ecs/aspapps/teachersearch.asp>. Parents of children in Title I schools may request of the principal certificate and college attendance information for both teachers and paraprofessionals who work with their child. The Primary School is the only Title I school in Woodland District 50.
